Highlights

High quality material

This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high-quality die-cast aluminium and superior synthetics.

Weather-proof

This Philips outdoor lamp is specially designed for humid outdoor environments and has undergone rigorous tests to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it is protected against splashing water. This product is most common and ideal for general outdoor use.

Easy installation

Installing a luminaire can sometimes be difficult. With this Philips outdoor lamp, you can be sure that great attention has been given to making it easy and simple for you. This article is delivered with a torx key to be used during installation.

Create a stylish atmosphere

This outdoor wall light is designed around the latest trends and lifestyles to blend effortlessly into your outdoor space and define the ambience you have always desired.
